Dear Farmers,

On behalf of the Jensen Camp Foundation, for Jensen Woods Camp we wish you a safe and productive harvest. These last two years, because of the pandemic, have been incredibly difficult for the farm communities and 501c3 charities such as us.

Since 2017, JCF has offered a Gift of Grain donation program, whereby farmers may donate any amount of their harvested crops, at local elevators, and the proceeds will benefit the Christian mission that is Jensen Woods Camp. These Gift of Grain donations allowed us to raise the \$500,000.00 down payment in 4 months and save the camp from the bulldozers. It has made possible 3 summer camping seasons where children have used 550 acres of forested trails, hills and hollows and gained friends, survived in the wild, laughed and played in the water, worshiped God under the stars and discovered themselves through interaction with nature. Every cent donated will be used to increase the usership and condition of the camp and encourage more and more children and families to COME MEET GOD IN THE WOODS. We are here to serve the spiritual, environmental, educational, and recreational needs of ALL children, families and adults.

Any contribution you are interested in making, no matter how large or small, will be greatly appreciated. You will receive a contribution form at the beginning of next year for your tax preparation requirements. If you have any questions or concerns, please call the camp number 217-773-2491 or email us at [jensenwoodscamp@gmail.com](mailto:jensenwoodscamp@gmail.com).

May God bless and watch over you and yours. Thank you for taking the time to read and consider this matter.

Yours truly,

Board of Directors, Jensen Camp Foundation, On behalf of Jensen Woods Camp
